# FORBIAN 1975

PUBLISHED BY  
SENIOR CLASS  
FORBES CAMPUS  
NORTH STAR SCHOOL DISTRICT  
KANTNER, PA 15548

I think that I shall never see  
A poem lovely as a tree.

A tree whose hungry mouth is pressed  
Against the earth's sweet flowing breast;

A tree that looks at God all day  
And lifts her leafy arms to pray;

A tree that may in summer wear  
A nest of robins in her hair;

Upon whose bosom snow has lain;  
Who intimately lives with rain.

Poems are made by fools like me,  
But only God can make a tree.

—Joyce Kilmer

# FOREWORD

# Dedication

The class of 1975 proudly dedicates this edition of the Forbian to Mrs. Sally Troll and Mrs. Evelyn Bittner.

Mrs. Troll has won the affection of many by her ability to become a true and understanding friend. She has given of her time to help us with the many problems we have encountered. Her patience and guidance will long be remembered by the students. For the knowledge and inspiration she has given us, we express our sincere thanks to Mrs. Troll.

And

Mrs. Bittner is an excellent teacher who is also dedicated to her job and to serving others. Along with helping us on our way to becoming responsible adults, she has given many students a strong background in the business field. For many years she has proven herself to be a concerned citizen in our community. For her wisdom and service, we express our sincere appreciation to Mrs. Bittner.

And so it is with respect and gratitude that we dedicate this, the 1975 Forbian, to Mrs. Sally Troll and Mrs. Evelyn Bittner. We extend our best wishes and prayers for success and happiness to each of you.

# Candid

Too often today one hurries,  
Always rushing to get somewhere,  
But this bridge seems to say, "Slow down,  
Take time from your worries and care."

As you rattle across the planks  
Or peer through the cracks on the side,  
Recall some memories from the past  
And take the future in your stride.

—Erma Stull Grove

# ADMINISTRATION

[illegible]

I wish you could hear me say to one which we all can be proud to say that we played a small part in. You are a group that I will not forget. You were always human and I know because of this I will accept my share.

The future is involved in every teacher's work.

The wise farmer spends very little time meditating on his harvest at the time of sowing; his primary concern is to get the seed under the ground under the best possible conditions, and to give it the best possible care. It is to such preparation for the future that the plan and program of our high school is dedicated.

A teacher's influence is forever. What world what achievement change the course of one maturing life? Did the teachers of a Gaius or a Clutch, or a Goida Mc ever ponder the roles in history? Every educator combines knowledge, ideas and techniques of human communication to inform, guide and challenge the young. It is my hope that the education you have gained at North Star High School will contribute something of lasting value to the growth and character of each and every one of you as you earn your place in a changing world where each day brings new challenges.

## Student Protest At Forbes

By MARK CLARK  
American Staff Writer

KANTNER — A group of students at  
the Forbes Campus of North Star High  
School held a sit-in for about an hour  
Wednesday morning protesting a  
motion passed by the North Star School  
Board Tuesday night.

The motion, in part, abolished the  
Forbes Campus high school in Kantner  
and created one high school for the  
district at the existing Boswell high  
school building, effective this fall.

The exact number of students who  
refused to attend class and instead

congregated in the hallways varied  
according to the source

Estimates ranged from as high as 200-  
250 by a student spokesman to as low as  
40-50 by district superintendent Dr. W.  
Raymond W. Grogan. The school has an  
enrollment of about 375

# In Memoriam

RODNEY PHILLIPS  
(1956-1971)

God's finger touched him, and he slept  
Tennyson

We, the Senior Class of 1975, wish to dedicate this portion of our yearbook to the memory of Rodney Phillips. Rodney died on June 25, 1971. He was a close friend and fellow classmate and we will never forget him.

Part of my way means climbing  
An adventure of growing, of knowing  
The view defines my vision  
The design becomes a time.

Part of my way means dreaming  
The shelter of loving, of hoping  
Each part builds my life and  
a meaning  
I rest for a moment, then climb.

The 1974 North Star baseball team compiled a record of 7 wins and 1 loss with the lone loss to undefeated Somerset. Four of the starters on the team were playing their last season with the Cougars. They are Jack Bover, Bill Carbone, Doug Thompson, and Tom Zimmerman.

Steve Cheek led the team with a batting average of .41 and with the most hits - 14. The other leading hitters on the team were Tom Zimmerman - 36, Ron Matse - 35, Jack Bover - 33, and Sam Zimmerman - 30.

The pitchers were Steve Cheek, Tom Zimmerman, and Sam Zimmerman. Tom Zimmerman had a 4-1 record, Sam Zimmerman a 3-0 record, while Steve Cheek pitched several innings as a relief pitcher. Tom Zimmerman will not be back for the 1975 season, but Sam Zimmerman and Steve Cheek, along with the other returning lettermen, should be able to help the team to a successful season in 1975.

# North Star High School Marching Band

Music is enjoyed by all ages. The North Star Band tries its best to please all ages choosing varieties of songs and marches. Under the direction of Mr. Daniel Croft, the marching band entertains during half-time at football games and also marches in many parades. This year the band chose songs by Henry Mancini, Burt Bacharach, and Louis Armstrong. Under the field direction of Patricia Lankey, the North Star Marching Band performs formations to these songs. Much hard work is put into the Marching Band, but the result is rewarding.

## GO PLACIDLY

AMID THE NOISE AND HASTE, AND REMEMBER WHAT PEACE THERE MAY BE IN SILENCE

As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly, and listen to others, even the dull and ignorant, they too have their story

Avoid loud and aggressive persons, they are vexations to the spirit

If you compare yourself with others, you may become vain and bitter, for always there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans

Keep interested in your own career, however humble, it is a real possession in the changing fortunes of time

Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is, many persons strive for high ideals, and everywhere life is full of heroism

Be yourself. Especially, do not feign affection. Neither be cynical about love, for in the face of all aridity and disenchantment, it is perennial as the grass

Take kindly the counsel of the years, gracefully surrendering the things of youth

Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings.

Many fears are born of fatigue and loneliness

Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars, you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Our Best Wishes For Success . . .

A black and white photograph of a dense, leafy tree with a path leading through it. The path is a light-colored, unpaved road that curves through the lower half of the image. The tree's branches and leaves fill the upper and right portions of the frame, creating a textured, dappled light effect. The overall mood is peaceful and natural.

### THE FELLOWSHIP OF FRIENDS

Take time for all that is  
The day is too long  
Without joy and laughter  
Without a song

Take time for all things  
Share the gift of work and play,  
Weave the golden thread of love  
Into the fabric of each day

Take time for all things  
Give thanks to Him who sends  
The benediction of His love  
And the fellowship of friends.  
—Clara Smith Reber
